Sub. : 101HS English For  
Technical Communication  
ID No. : 25IT445

# VOICE :

- Voice shows whether the subject of a sentence **does the action** or **receives the action**.
- There are two types of voice:
  1. Active Voice
  2. Passive Voice

# ACTIVE VOICE :

- Doer performs the action.
- These are called doer sentences (Active Voice).
- When a sentence starts with a **subject**, it is called a **subject-based sentence**.
- The subject is **directly connected to the verb**.
- The action is performed by the subject.
- Structure of a sentence:  
Subject + Verb + Object

# PASSIVE VOICE :

- Some sentences focus on the **action**, not the doer.
- These are called **action sentences (Passive Voice)**.
- The sentence usually **begins with the action or object**.
- A verb is a word that shows an action or event.
- In a sentence, the subject gets the “action” by asking a question through “what” and “who”.

# EXAMPLE :

1. I play chess.

- Ask the question through who and get  
Subject – I
- Verb – Play
- Ask the question through what/whom and get  
Object – Chess

# ACTIVE TO PASSIVE :

- Active Voice syntax is usually found in the “S+V+O” form.
- The Passive Voice syntax is found in the “O+V+S” form.
  
- ❖ Rules of Passive Voice :
  - Passive voice focuses on the **action**, not the doer.
  - The **object of active voice** becomes the **subject in passive voice**.
  - In passive voice, always use the **third form of the verb (V3)**.
  - Passive Voice Formula: Object + “to be” + V3 + by + Subject

| SUBJECT | OBJECT |
|---------|--------|
| I       | Me     |
| We      | Us     |
| You     | You    |
| He      | Him    |
| She     | Her    |
| It      | It     |
| They    | Them   |

# EXAMPLE :

- Active Voice:
  - I play cricket.
- Subject: I
- Verb: Play
- Object: Cricket
- ❖ Convert into Passive Voice:
  - Object comes first – cricket
  - Use “to be” – is
  - Use V3 – Played
  - Add “by + subject” – by me

## Passive Voice:

Cricket is played by me.

- NOTE: In some sentences, the subject is an **indefinite pronoun**. [someone, somebody, nobody, people]
- When converting to passive voice, We **do not use** “**by someone**”, “**by people**”.
- Focus is on the **action**, not the doer.
- ❖ EX:-
  - 1. Active Voice: - Someone gave me this book.  
Passive Voice:- This book was given to me.
  - 2. Active Voice: - Nobody has told me about you.  
Passive Voice: -I have not been told about you.
